## OCTOBER MEETING PROGRAM

We belong to a wonderful organization! But how often do we stop to think about the benefits of that membership? MTNA and WSMTA are always working hard to provide quality services to meet the needs of its membership. They count on membership feedback and requests to decide what topics and issues they tackle; and hearing from and interacting with them is a great way to get excited and be reminded about all the possibilities and opportunities we have as independent music teachers.

This month, our program will be "A time for sharing with your VP". Sally Kirk, our District I Vice-President will be joining us. So, sharpen your pencils! She will ask for questions from the members, share a few interesting musical facts, and get to know us better.

## Awestruck in Rhythm!

The workshop consists of 2 different sessions led by Lyle Povah:

- An experiential "playshop" for adults that explores using sound and rhythm for creativity and healing
- An all ages drumming circle.

Both sessions will be fun, energizing, and educational. Debra Chang took a 5-day workshop with Lyle a few years ago and found that he is very experienced, lively, dynamic, and a great communicator.

Mary and Debra are excited about this workshop and hope to fill the room with participants. Please consider joining them and also promoting this event to your students and their families and friends.
