Dr. Peter Mack in Bellingham - September 19 and 20, 2009

Lecture, question and
answer and master class

We are pleased to announce Dr. Peter Mack's return to Bellingham! Peter has been a favorite adjudicator for several of the Washington State Music Teachers Association's local chapters here, in the past. Both teachers and students fondly remember his conceptual musical instruction and how fun music becomes infused with his enthusiastic energy! Be inspired again by this man's teaching ideas, master class, artistry, performance of piano miniatures, and his infectious sense of humor. This invitation is to teachers and members of the Lynden, Whatcom, and Bellingham chapters to attend a lecture, question and answer period, and observe Peter Mack teach a master class of other

DR. PETER MACK PLAYS PIANO MINIATURES

Peter performed a wonderful concert of piano miniatures at the WSMTA state convention in June. We are fortunate that he has agreed to play this same program on a KEYBOARD FRIENDS PIANO CONCERT.

"Mack is one of those lucky ones, born with a completely balanced set of talents. He has perfect piano hands, his technique is all but infallible, he has boundless temperament, style and taste, and above all, he communicates directly.... In all capacities he is indefatigable...."
